OVERVIEW

Experienced creative director and executive with a proven history of building, leading, and growing high-performing agency teams, both external and internal. Over 35 years in branding, advertising, art direction, copywriting, strategy, video production, digital design, and social media. Known for blending hands-on creative leadership with a strategic vision that drives business results. A strong advocate of servant leadership committed to building and empowering teams — not only to deliver award-winning creative work, but to grow as professionals and collaborators. I believe the best ideas come from environments where people feel supported, challenged, and inspired.
